Eastern Idaho HOUSING SYMPOSIUM

SAVE THE DATE

The Eastern Idaho Housing Symposium returns in 2026 as the region's premier event addressing housing challenges and opportunities. This annual gathering brings together realtors, developers, city planners, title companies, lenders and experts to discuss housing trends, upcoming developments, changes in mortgage lending, zoning and other regulatory issues, as well as nationwide housing best practices. Join us for presentations and discussions of collaboration, insight, and planning as we work to shape the future of housing in Eastern Idaho.
